TO WHOM IT MAY CONCERN:

This is being submitted as a letter of the highest recommendation for GLOBE INVESTIGATION & SECURITY SERVICES, INC.

I have utilized this company's services on several occasions in the past and have been absolutely satisfied and tremendously impressed by the staff's unparalleled efficiency, mastery of the security business and utmost professionalism.

As an attorney in the entertainment business, I am often called upon to assist high profile clients in addressing their security concerns during their travels, concerts and personal appearances. I have used several different companies in the past, but have been best served by GLOBE INVESTIGATION & SECURITY SERVICES, INC., and I plan to continue to use GLOBE's services in the future.

I have also used GLOBE in my personal matters, including for security services at my wedding which drew several high profile guests, and for protection of my husband's children when their safety became threatened by several occurrences in their school and in the neighborhood around their home. GLOBE's staff, as usual, were extremely professional and effective.

In my dealings with GLOBE, I have been in contact with Senior Vice President of GLOBE, Mr. Olivier De Laurentiis. Mr. De Laurentiis takes the business of security extremely seriously and always assesses every situation which requires his company's assistance with great care and thoroughness. I feel one hundred and ten percent at ease when GLOBE is involved in protecting my and my clients' welfare.

If I may be of any further assistance in providing information regarding GLOBE INVESTIGATION & SECURITY SERVICES, INC., please do not hesitate to contact me at the above telephone number.

Yours truly,
