

THE HELMSLEY WINDSOR HOTEL

100 WEST 58TH STREET, NEW YORK, N.Y. 10019 • (212) 265-2100

November 25, 2003

To Whom It May Concern:

I would like to offer this letter of recommendation for Globe Investigation & Security Services.

Due to the sale of the Helmsley Windsor Hotel, it had become necessary to engage an impartial, outside security firm to secure the assets of the hotel for the new owner.

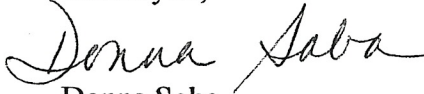

Mr. Olivier DeLaurentiis and his team of professionals, not only provided outstanding security services, but also performed in such a way as to blend in with my team of hospitality experts. Mr. DeLaurentiis went well beyond the expected scope of responsibility. He ensured that not only were the physical assets protected, but also the well-being and comfort of my guests were insured in the final days.

I have only high praise and gratitude for the services rendered by Globe Investigation.

I would more that happy to answer any inquires on behalf of Globe Investigations at the following e-mail address:

Thank you,
