To Whom It May Concern:

Globe Investigation & Security Services, Inc. has been a security service firm for HRH Construction, LLC since 1998. Globe has recently performed site security services for HRH under my direction during the construction of two 20-story residential apartment buildings in White Plains, New York and we look forward to calling upon them in the future for additional services.

Both their office and field staff are very courteous and respectful. Their people always report to work on time and always meet our difficult site security requirements 24 hours a day, seven (7) days a week as needed while acting in a professional manner.

Furthermore, Mr. Olivier DeLaurentis is nothing short of a pleasure to work with.

If you have any questions, please do not hesitate to call.

Very truly yours,

HRH CONSTRUCTION, LLC
