Dear Mr. DeLaurentiss,

I am writing to you to commend the performance of your company.

The High Holy Days were just days after the tragic events of September 11th. The presence of you and your staff helped our congregants feel more at ease during those tense days.

I have found your staff to be professional, courteous and willing to accommodate above and beyond what I would come to expect from a security company.

Thank you for allowing me the opportunity to express my satisfaction with the your company.

Sincerely,

Shelly Wool
President
